

UIL Accounting Contest Preparation Suggestions  
(From Teachers of Accounting State Qualifiers)

For First-Year Accounting Students:

1. Use Accounting class time wisely.
2. Work extra exercises or problems from textbooks above and beyond classroom assignments.
3. Utilize computer-assisted learning if available.
4. Master EVERY concept. (building foundation analogy)
5. Ask questions.
6. Take MANY practice exams under “real life” contest conditions.
7. Help your Accounting team members during study sessions. Teaching confirms what you have learned.
8. Desire. (only you can make it happen)
9. Use positive talk.
10. Visualize yourself being successful in this contest.
